Report for Social Action Committee

Greetings Brothers,

Recap of month:

- 7/15/2018- Trinity Gardens Church of Christ presented Bro. Ed Jackson and the Rho Beta Beta Chapter an award for our work that we do in the community.
- 7/20/2018- Omega STEM program at the conclave. Bro. Lee Willis, International STEM Chair, introduced a program that not only taught young kids how to build drones, but to fly them as well. Once Brother Joel McEwen taught them the specifics on flying, we gave each group about 30 minutes a piece in flying the drones back and forth. Bro. Charles Bolden, Former Head of NASA, was the keynote speaker.
- 6/28/18 - Coalition Blood

Upcoming programs:

- 8/2/2018- We hosted the Lamp Lighters from Tallahassee. We took 50 kids from the Lamp Lighter program to lunch at Café 4212, toured the Gregory Library and Buffalo Soldiers Museum. Then we had a BBQ at the Frat house for them. On Friday they toured TSU for the HBCU experience.
- This month we will be collaborating with The Foodie Co. to collect lunch kits or cash donations for a Back 2 School Drive. Location drop offs will be at Ray's BBQ (3929 Old Spanish Trail, Houston, TX 77021) or Kaffeine Cafe (5225 Almeda Rd., Houston, TX 77004)
